

KINGAK

The King

SETUP

Keep this card **face up** at all times. You are the starting player and begin with **+10 life**.

VICTORY

All Assassins, Bandits and/or Renegades are eliminated.

WARNING

If you eliminate a player with a **Knight** role card: discard your hand, sacrifice half your permanents (rounded up), and lose half your life (rounded up). If you would win this turn, you lose instead.

"The weight of the crown falls not on the head — but on those who would take it."

KINGEK

The King

SETUP

Keep this card **face up** at all times. You are the starting player and begin with **+10 life**.

VICTORY

All Assassins, Bandits and/or Renegades are eliminated.

SPECIAL

{T}, exile a card from your hand (or pay **{4}**): Choose one —

- Another player of your choice adds **{C}{C}** to their mana pool
- Target player draws two cards
- You gain 5 life

Activate only during your main phase.

FLIP REFERENCE

King — Face up at game start. Public role.

Bandits — Secret peek at game start: all close eyes, Bandits open eyes to identify each other, then close eyes. Cards stay face down.

All others — Start face down. Flip face up to Announce your special ability (once per game).

"Trust no one — not even the hand that crowns you."

KINGVARIANT

The High King

SETUP

Keep this card **face up** at all times. You are the starting player and begin with **+15 life**.

VICTORY

All Bandits and/or Renegades are eliminated.

ROYAL DECREE

{T}, pay **{2}**: Choose one —

- Target Knight draws a card and gains 3 life
- Choose a player — they cannot attack you until your next main phase
- Secretly look at any one player's hidden role card

Activate only during your main phase.

"His favor opens doors. His decree closes them forever."

KINGVARIANT

The Warden King

SETUP

Keep this card **face up** at all times. You are the starting player and begin with **+10 life**.

VICTORY

All Bandits and/or Renegades are eliminated.

WARDEN'S JUDGMENT

{T}, pay **3 life**: Choose one —

- Tap all creatures target opponent controls; they don't untap during their next untap step
- Exile a card from any player's graveyard
- Until your next upkeep, all damage that would be dealt to you is instead dealt to its source's controller

Activate only during your main phase.

"The law does not chase. It waits."

KINGVARIANT

The Cursed Crown

SETUP

Keep face up. Starting player. Begin with **+20 life** instead of the standard +10.

VICTORY

All Assassins, Bandits and/or Renegades are eliminated.

CURSE

At the beginning of each of your upkeeps, **lose 3 life**. This loss cannot be prevented or replaced.

"The crown gives more than it takes — until it doesn't."

KINGVARIANT

The Warmonger

SETUP

Keep face up. Starting player. Begin with **+10 life**.

VICTORY

All Assassins, Bandits and/or Renegades are eliminated.

AGGRESSION

You **must attack** during each of your combat phases if able. If your combat phase ends without you having attacked, lose 5 life.

"A King who does not fight is not a King — he is a target."

KINGVARIANT

The Weakened King

SETUP

Keep face up. Starting player. Begin with **30 life** instead of the King's standard 50.

VICTORY

All Assassins, Bandits and/or Renegades are eliminated.

PASSIVE

Whenever any player is eliminated from the game, **gain 10 life**. The King grows stronger as the field narrows.

"Underestimated at first. Undefeatable at the end."

KINGVARIANT

The Martyr King

SETUP

Keep face up. Starting player. Begin with **+10 life**.

VICTORY

All Assassins, Bandits and/or Renegades are eliminated — **even if you were eliminated earlier**.

SPECIAL

If the King is eliminated, the game does not end. Knights retain their win condition. If all Knights subsequently win, the King wins posthumously alongside them. Assassins who killed the King may still lose.

"Kill me. My Knights will finish what I started."

KINGVARIANT

The Bloodthirsty King

SETUP

Keep face up. Starting player. Begin with **+10 life**.

VICTORY

All Assassins, Bandits and/or Renegades are eliminated, **AND** you personally dealt the final damage to eliminate at least one opponent.

WARNING

Standard Knight-elimination penalty applies. Surviving without a personal kill does not satisfy the Victory condition — even if enemies are gone.

"The throne is not inherited. It is taken."

KING

VARIANT

The Ancient King

SETUP
Keep face up. Starting player. Begin with **+25 life** instead of the standard +10.

VICTORY
All Assassins, Bandits and/or Renegades are eliminated.

RESTRICTION
You **cannot gain life** from any source except this role card's own effects. Life gain from spells, abilities, and triggered effects is prevented.

"Old enough to know that hope is a liability."

KNIGHT

AK

The Field Marshal

VICTORY
The King wins.

DEFEAT
The King is eliminated.

ANNOUNCE
Remove all attacking creatures from combat and untap them. After this phase, there is an additional combat phase. All creatures gain double strike and attack that combat if able. They can't attack you or the King that combat. *Activate only during the declare blockers step on an opponent's turn.*

"Let them fight each other. We'll clean up what remains."

KNIGHT

AK

The Queen

VICTORY
The King wins.

DEFEAT
The King is eliminated.

ANNOUNCE
Choose a player. The next time that player would deal damage to the King this turn, prevent that damage. *Activate only during your turn.*

"Save his life by stalling his assailants while he heals."

KNIGHT

AK

Knight in Shining Armor

VICTORY
The King wins.

DEFEAT
The King is eliminated.

ANNOUNCE
Whenever the King would be dealt damage by an opponent this turn, deal that much damage to that opponent instead. That opponent skips their next combat step. *Activate only during combat after blockers are declared.*

"Between the crown and the blade, I am the answer."

KNIGHT

AK

The Rightful Heir

VICTORY
The King wins. If you have ascended to the throne, you win under the King's victory condition.

DEFEAT
The King is eliminated while you are not face-up.

ANNOUNCE
When you eliminate any player, **Announce immediately**. While face-up: if the King is eliminated, you gain the King role card and gain 10 life. The game continues under your reign.

"Prove yourself. Eliminate an enemy. Then — only then — take the throne."

KNIGHT

AK

The Kingslayer

VICTORY
The King wins.

DEFEAT
The King is eliminated.

ANNOUNCE
When you eliminate the King, **Announce immediately** — the King chooses another player (not you). That player gains the King role card. You have a replacement Defeat condition. *The King cannot choose you as the new King.*

"Protect your King. Turning against him is a last resort — when no other path survives."

KNIGHT

EK

The Bastard

VICTORY
When the only other players are the King, their teammates and your teammates, reveal The Bastard — you all win the game together. When there is no King, you lose the game if face down.

ANNOUNCE
(Trigger) When you cause a non-King player to lose the game, you may turn The Bastard face up.

SPECIAL
When face up and there is no King, The Bastard becomes a copy of The King.

"Kill the boy, Jon Snow. Winter is almost upon us." —Maester Aemon

KNIGHT

EK

The Black Knight

VICTORY
The King wins the game. When there is no King, you lose the game if face down.

ANNOUNCE
(Trigger) If you would lose the game for any reason other than The King dying, instead turn face up. Remove all commander damage and poison counters on you. Your life total becomes 10.

SPECIAL
If face up and no other players remain, you win the game.

"It's just a flesh wound." —The Black Knight

KNIGHT

EK

The Kingsguard

VICTORY
When the only other players are the King, their teammates and your teammates, reveal The Kingsguard — you all win the game. When there is no King, you lose the game.

ANNOUNCE
(Trigger) If combat damage from unblocked attacking creatures could cause a King to lose the game, you may turn The Kingsguard face up. If you do, prevent all combat damage that would be dealt this turn.

"Of the Kingsguard, only Ser Barristan Selmy is made of true steel." —Varys

KNIGHT EK  The Oathkeeper VICTORY The King wins the game. When there is no King, you lose the game if face down. ANNOUNCE (Trigger) When a player reveals a Bandit card to win, if that player killed the last King, turn The Oathkeeper face up. Bandits cannot win while The Oathkeeper is in the game. When no Bandits remain: if you caused the last Bandit to lose — you win. Otherwise, you lose. <i>"They say the best swords have names. Any ideas?" —Jamie</i>	KNIGHT VARIANT  The Knight VICTORY The King wins. DEFEAT The King is eliminated. ANNOUNCE Creatures lose hexproof and shroud until end of turn. Deal damage to up to three targets equal to the highest mana value among permanents you control. <i>Activate only during your turn.</i> <i>"It shines so bright it blinds your enemies — then the killing begins."</i>	KNIGHT VARIANT  The Royal Guard VICTORY The King wins. DEFEAT The King is eliminated. SPECIAL Once per game: Redirect any combat damage that would be dealt to the King to yourself instead. <i>"My life is worth less than the crown."</i>
KNIGHT VARIANT  The Paladin VICTORY The King wins. DEFEAT The King is eliminated. SPECIAL Once per game: At instant speed, grant the King 10 life. This may be used during combat. <i>"Faith does not need a name to heal."</i>	KNIGHT VARIANT  The Sentinel VICTORY The King wins. DEFEAT The King is eliminated. SPECIAL Once per game: Look at target player's hand. You may not reveal what you saw. <i>"Every shadow has a shape. I have memorized them all."</i>	KNIGHT VARIANT  The Warden VICTORY The King wins. DEFEAT The King is eliminated. SPECIAL Once per game: Name a player. That player cannot attack the King until the start of your next turn. <i>"No blade reaches the throne without passing through my will."</i>
KNIGHT VARIANT  The Champion VICTORY The King wins. DEFEAT The King is eliminated. SPECIAL Once per game: During your declare attackers step, your creatures may attack any player regardless of effects that would restrict your attack targets this turn. Creatures you control gain +1/+0 and trample until end of turn. <i>"The King's name. Their graves. My hands."</i>	KNIGHT VARIANT  The Avenger VICTORY The King wins. OR: you personally deal the killing blow to the player who eliminated the King. ANNOUNCE When the King is eliminated, Announce immediately — the game does not end. You have until the end of your next turn to personally deal the killing blow to the player who eliminated the King. If you succeed, you win. If you fail or are eliminated first, you lose. DEFEAT The King is eliminated and you do not eliminate their killer before the end of your next turn. Or you are eliminated first. <i>"Kill the King? Then run."</i>	KNIGHT VARIANT  The Lone Knight VICTORY The King wins AND you are still alive at the moment of victory. You do not share this win with other Knights who were eliminated before the game ended. DEFEAT The King is eliminated, or the King wins but you are already eliminated. <i>"I serve the crown, not the company."</i>

KNIGHT

VARIANT

Jack's Guard

VICTORY
The player known at this table as "**Jack**" wins — regardless of Jack's actual role.

DEFEAT
Jack is eliminated.

REVEAL
When Jack is targeted by a spell or ability an opponent controls, or would receive combat damage, you may reveal this card. If you do, you become the target or receive that damage instead. If this eliminates you, Jack gains 10 life. You may also reveal voluntarily at any time; Jack gains 5 life.

NO JACK PRESENT
If no player at this table goes by "**Jack**", you are a standard Knight — win when the King wins, lose when the King is eliminated.

"Sworn to protect him. Still don't know why."

ASSASSIN

AK

The Priestess

VICTORY
The King is eliminated.

ANNOUNCE
Exchange life totals, accumulated commander damage, and poison counters with target player. *Activate only during your turn.*

"Lure the King into a false sense of hope — then drain his life before his allies."

ASSASSIN

AK

The Marksman

VICTORY
The King is eliminated.

ANNOUNCE
Creatures lose hexproof and shroud until end of turn. Deal damage to up to three targets equal to the highest converted mana cost among permanents you control. *Activate only during your turn.*

"Any target within 100 meters. Work yourself within killing distance before taking the shot."

ASSASSIN

AK

The Bear Trainer

VICTORY
The King is eliminated.

ANNOUNCE
Create three 2/2 green Bear creature tokens named War Bear. They gain haste and have "{T}: This creature deals damage equal to its power to target creature. If a creature dealt damage this way dies this turn, put a +1/+1 counter on this creature." *Activate only during your turn, and only if an opponent has 30 or less life.*

"You'll show the King the true power of these creatures."

ASSASSIN

AK

The Schemer

VICTORY
The King is eliminated.

ANNOUNCE
Choose one —

- During the King's next turn, you control that player during all **combat phases**
- During the King's next turn, you control that player during all **main phases**

(You may look at and cast spells from that player's hand while controlling their phase.) Activate only during your turn.

"You've dreamed of revenge since your husband's unlawful execution. Now is the time."

ASSASSIN

AK

The Thief

VICTORY
The King is eliminated.

ANNOUNCE
Untap target permanent and gain control of it until end of turn. It gains haste until end of turn. *Activate only during your turn.*

"You've never had problems getting your hands on what you need to get the job done."

BANDIT

EK

The Burglar

VICTORY
When no player is King, reveal The Burglar — all Bandits win the game.

ANNOUNCE
Gain hexproof until end of turn. Then gain control of all lands target opponent controls until end of turn. Untap them.

"They will see you coming, and kill you!" —Gandalf / "No they won't." —Bilbo Baggins

BANDIT

EK

The Dragonkeeper

VICTORY
When no player is King, reveal The Dragonkeeper — all Bandits win the game.

ANNOUNCE
Put three 1/1 red Dragon tokens with flying and haste onto the battlefield. They have "{T}: This creature deals damage equal to its power to target creature. If it dies this turn from this damage, put a +1/+1 counter on this creature."

"Where are my dragons!?" —Duenerys Targaryen

BANDIT

EK

The Pirate

VICTORY
When no player is King, reveal The Pirate — all Bandits win the game.

ANNOUNCE
Gain control of target permanent until end of turn. Untap it. It gains haste until end of turn.

"I confess, it is my intention to commandeer one of these ships, then raid, pillage, plunder and pilfer my weaselly black guts out." —Captain Jack Sparrow

BANDIT

EK

The Slaver

VICTORY
When no player is King, reveal The Slaver — all Bandits and Slaves win the game.

SPECIAL
(Face down) If face down and you would cause a non-King player to lose, instead flip face up and that player gains The Slave role card. Remove all commander damage and poison counters from that player. That player joins you in a two-headed giant team sharing your life total and turn.

"If you think this has a happy ending, you haven't been paying attention." — Ramsay Snow

ASSASSIN

VARIANT

The Shadow

VICTORY
The King is eliminated and at least one Assassin survives to the end.

SPECIAL
Once per game: Openly claim to be a Knight. You must reveal your true role when eliminated.

"The most dangerous lie is one you choose to believe."

ASSASSIN

VARIANT

The Infiltrator

VICTORY
The King is eliminated and at least one Assassin survives to the end.

SPECIAL
Players **may not publicly name you as Assassin**. Only you may reveal your own role. Political accusations against you are void unless you have already revealed yourself.

ANNOUNCE
When you reveal yourself, force target player to reveal their role card to all players. Draw 2 cards. *Activate only during your turn.*

"Trust is the oldest weapon in any arsenal."

ASSASSIN

VARIANT

The Blade

VICTORY
The King is eliminated. If **you** personally dealt the killing blow, you win alone — other Assassins do not share your victory.

SPECIAL
Track whether you dealt the final damage to eliminate the King. If so, the solo-win condition applies.

"Some arguments only a sword can settle."

ASSASSIN

VARIANT

The Phantom

VICTORY
The King is eliminated and at least one Assassin survives to the end.

SPECIAL
Once per game: After being declared as a target of any spell or ability, redirect that effect to any other player of your choice.

"You cannot kill what you cannot find."

ASSASSIN

VARIANT

The Poisoner

VICTORY
The King is eliminated and at least one Assassin survives to the end.

SPECIAL
Once per game: Mark a target player as Poisoned. They lose 2 life at the start of each of their upkeep. This effect cannot be removed — it ends only when you are eliminated.

"Patience is its own kind of venom."

ASSASSIN

VARIANT

The Lone Wolf

VICTORY
The King is eliminated AND **you are the only surviving Assassin**. Other living Assassins at game end deny your victory.

SPECIAL
You win alone. Your fellow Assassins are obstacles, not allies. You do not share a win condition with them.

"I don't need a partner. I need everyone else out of the way."

ASSASSIN

VARIANT

The Pacifist

VICTORY
The King is eliminated and at least one Assassin survives. **However**, you must never have personally dealt damage to the King — not combat, not spells, not abilities.

SPECIAL
You must manipulate other players into killing the King on your behalf. If you ever damage the King directly, your Victory condition is permanently voided this game.

"My hands are clean. The result is the same."

ASSASSIN

VARIANT

The Bounty Hunter

SETUP
At game start, **secretly write down the name of one non-King player**. Fold it face-down beside your role card.

VICTORY
The King is eliminated **AND** your named target is also eliminated before the game ends. You must survive to claim this win.

"Two marks. One price. No exceptions."

RENEGADEAK

The Champion

VICTORY
You personally eliminate the player you Challenged.

ANNOUNCE
Declare target player your **Challenger**. Until the start of your next turn, no other player may target the Challenger with spells or abilities. The Challenger must attack you if able. *Activate only during your turn.*

DEFEAT
You are eliminated, or the Challenger is eliminated by another player.

"Step forward. This ends between us."

RENEGADEAK

The Sellsword

VICTORY
Your teammate wins.

DEFEAT
You or your teammate are eliminated.

ANNOUNCE
When a player Announces, **Announce immediately** — starting with that player, each bids any amount of life in turn order. The highest bidder loses life equal to their bid and sacrifices a quarter of their lands (rounded up). That player becomes your **teammate**. *Note: if your teammate's role is face down, you won't know your new win condition — follow their lead.*

"Fight for the highest bidder. See who can offer the largest payment and join their cause."

RENEGADEAK

The Mimic

VICTORY
Your teammate wins.

DEFEAT
You or a teammate are eliminated.

ANNOUNCE
When you have 20 or less life, **Announce immediately** — draw a card.

PASSIVE
At the beginning of your upkeep, target player loses 1 life. Another target player gains 1 life. **Whenever you and any opponent have the same life total, that opponent is eliminated.**

"You are immortal — but these frail bodies decay. To survive, you must find other lives to devour."

RENEGADEAK

The Cultist

VICTORY
More than half of the players in the game are Cultists.

ANNOUNCE
Whenever you eliminate an opponent, **Announce immediately** — that player's role card becomes a copy of the Cultist (retains King type if they were the King). Remove all commander damage and poison counters from that player. Their life total becomes 10.

"Convert the fallen. Once more than half are yours — the kingdom belongs to the cult."

RENEGADEAK

The Straw Man

VICTORY
You are the **first** person eliminated and another player eliminated you.

ANNOUNCE
Until your next turn, all opponents' creatures must attack you if able. *Activate only on your turn.*

NEXT UPKEEP
At the beginning of your next upkeep, if you're still alive, your win condition is replaced — **you win by eliminating yourself**. *(Loss of life, empty library, commander damage, or poison.)*

"Be political. Do strange things. Make odd decisions. The less others can trust you, the better."

RENEGADEEK

The Executioner

VICTORY
When you cause the chosen player to lose the game, reveal The Executioner — you win. If another player causes the chosen player to lose, reveal The Executioner — you lose.

SPECIAL
At the beginning of the game, or if the chosen player concedes, secretly choose an opponent at random.

"The man who passes the sentence should swing the sword." —Eddard Stark

RENEGADEEK

The Imposter

ACCUSE
Once per game: Name a face-down player as "The Jester." That player must immediately reveal their role card. If they are the Jester, this counts as you causing the Jester to be revealed and triggers The Imposter's Special.

SPECIAL
Whenever you cause an opponent to lose the game, or if you cause a Jester to be revealed, you may reveal The Imposter. If you do, that player gives you their role card face down. You may keep it in addition to The Imposter — if you do, put all other role cards you control into the unused pile.

"A girl is not ready to become no one. But she is ready to become someone else."
—Jaqen H'ghar

RENEGADEEK

The Jester

VICTORY
Win if you are **eliminated by the King** — through combat damage or a spell they control — while the King is still alive.

SPECIAL
You may reveal your role at any time. If you do, the King **must attack you** on their next available attack step.

"The joke lands when the punchline is me."

RENEGADEVARIANT

The Usurper

VICTORY
Win if you personally deal the final damage to eliminate the King. Reveal yourself — your life becomes 50, you take the King's role, and the game continues.

"I don't want the King dead. I want his seat."

RENEGADE

VARIANT

The Fool

VICTORY

Win if you are **eliminated by the King** — through combat damage or a spell they control — while the King is still alive. If this happens, the **King loses the game as well**.

ANNOUNCE

You may turn **The Fool** face up at any time. If you do, the King must **attack you** on each of their attack steps until you are eliminated. Other players may not block or redirect the King's attacks that target you.

SPECIAL

When you are eliminated by the King while this card is face up, the King must **reveal their hand** to all players before The Fool's Victory is resolved.

"Even the wisest king is blind to the fool who courts his wrath."

RENEGADE

VARIANT

The Witch

VICTORY

Win if both **the King and all Knights** are eliminated. You may win even if you yourself are also eliminated.

ANNOUNCE

(Trigger) At the beginning of any player's upkeep, you may turn The Witch face up. If you do, place a curse on target player — at the beginning of each of that player's upkeeps, they lose 2 life. This curse persists until that player is eliminated.

SPECIAL

Once per game: Look at target player's hand. You may not reveal what you saw.

"The throne and its protectors — both must fall."

RENEGADE

VARIANT

The Gambler

VICTORY

Before roles are distributed, secretly write down **Throne** (the King's side wins) or **Shadow** (the King is eliminated). You win if your written prediction matches the game's outcome.

ANNOUNCE

(Trigger) At the beginning of any opponent's combat phase, you may turn The Gambler face up. If you do, flip a coin — **Heads:** all creatures attacking you get -2/-0 until end of turn. **Tails:** they get +2/+0 until end of turn.

REVEAL

Show your written prediction when you are eliminated or when the game ends. If you cannot produce the original note, you lose.

"Fate is the only honest dealer I've ever met."

RENEGADE

VARIANT

Kill Jack

VICTORY

The player known at this table as **"Jack"** is eliminated.

IF YOU ARE JACK

Your win condition changes: **Survive to the end of the game**. You may reveal this card at game start. If you do, all other players must verbally acknowledge, in turn order, that Jack deserved this.

REVEAL

Turn this card face up at any time. The player named Jack loses 10 life and creatures they control lose all abilities until end of turn. If Jack is eliminated while this card is face up, you win immediately regardless of any other win condition.

NO JACK PRESENT

Before the game begins, secretly choose any player at the table. That player is your **"Jack"** for all purposes of this card.

"It's not personal. It's extremely personal."

BANDIT

AK

The Necromancer

VICTORY

All non-Bandits are eliminated.

DEFEAT

You or a teammate are eliminated.

ANNOUNCE

Exile all creature cards from target player's graveyard. An opponent with a face-up role card separates those cards into two piles. Put all cards from one pile onto the battlefield under your control and exile the rest. *Activate only during your turn.*

"The dead don't get a second chance. Not if I have anything to say about it."

BANDIT

AK

The Zealot

VICTORY

All non-Bandits are eliminated.

DEFEAT

You or a teammate are eliminated.

ANNOUNCE

Each player with a face-up role card reveals cards from the top of their library until they reveal a creature card. You may put each creature revealed this way onto the battlefield under your control. Shuffle all other revealed cards into their owners' libraries. Those creatures gain vigilance, haste, and double strike until end of turn. *Activate only during your turn.*

"The righteous have nothing to hide — and everything to give."

BANDIT

AK

The Giant

VICTORY

All non-Bandits are eliminated.

DEFEAT

You or a teammate are eliminated.

ANNOUNCE

The creature with the highest combined power and toughness is unaffected. Destroy all other creatures. *(In a tie, the active player chooses.) Activate only during your turn.*

"They thought their ranks would stop you. They were wrong."

BANDIT

AK

The Wizard

VICTORY

All non-Bandits are eliminated.

DEFEAT

You or a teammate are eliminated.

ANNOUNCE

Choose one —

- Exile target spell** on the stack
- Change the target** of target spell or ability to a new legal target

Role abilities cannot be targeted by either mode. *Activate only when a spell or ability is on the stack.*

"I didn't counter your spell. I just made it mine."

BANDIT

AK

The Stalker

VICTORY

All non-Bandits are eliminated.

DEFEAT

You or a teammate are eliminated.

ANNOUNCE

Exile target permanent. *Activate only during your turn.*

"Gone. No body, no evidence, no trail."

NOBLE

EK

The Assassin

VICTORY
When all players are Nobles or their teammates, you all win the game.

ANNOUNCE
You may turn The Assassin face up at any time and exile a permanent of your choice. *(This ability doesn't use the stack, and can't be responded to.)*

"*Válar Morghulis*" —Old Valyrian saying

NOBLE

EK

The Illusionist

VICTORY
When all players are Nobles or their teammates, you all win the game.

ANNOUNCE
Choose an activated ability of a face up role card. You may activate that ability without paying its cost. When you cause a player to lose the game, you may turn any number of Noble role cards face down.

"*When your dragons were born, our magic was born again.*" —Pyat Pree to Daenerys Targaryen

NOBLE

EK

The Princess

VICTORY
When all players are Nobles or their teammates, you all win the game.

ANNOUNCE
(Trigger) Whenever a creature attacks you, you may turn The Princess face up. If you do, prevent all combat damage dealt to you this turn. Creatures your opponents control attack the player whose creature attacked you, if able, until that player's next turn.

"*That's Lyanna, my father's sister. Robert started a war to win her back.*" —Bran Stark

NOBLE

EK

The Spymaster

VICTORY
When all players are Nobles or their teammates, you all win the game.

SPECIAL
(Face down) At the beginning of your end step you may draw an additional card. If another player catches you, turn The Spymaster face up.

SPECIAL
(Face up) As long as The Spymaster is face up, you may look at other players' role cards at any time.

"*I serve the realm, my lord. Someone must.*" —Varys

BANDIT

VARIANT

The Cutthroat

VICTORY
All non-Bandits are eliminated.

DEFEAT
You or a teammate are eliminated.

SPECIAL
Once per game: During your declare attackers step, your creatures may attack any player regardless of effects that would restrict your attack targets this turn. Each creature you control that deals combat damage to a player this turn draws you a card.

"*Gold speaks louder than oaths.*"

BANDIT

VARIANT

The Raider

VICTORY
All non-Bandits are eliminated.

DEFEAT
You or a teammate are eliminated.

SPECIAL
Whenever **any player is eliminated** from the game, draw a card. This triggers regardless of who caused the elimination.

"*Every ending is someone else's opportunity.*"

BANDIT

VARIANT

The Outlaw

VICTORY
All non-Bandits are eliminated.

DEFEAT
You or a teammate are eliminated.

SPECIAL
Once per game: Choose target player. That player reveals their hand to you. You may choose one card revealed this way — that player discards it.

"*Rules are for people who didn't write them.*"

BANDIT

VARIANT

The Plunderer

VICTORY
All non-Bandits are eliminated.

DEFEAT
You or a teammate are eliminated.

SPECIAL
Once per game: If you would be eliminated, you may instead survive at 1 life. This ability may only trigger once and cannot be copied.

"*I've escaped worse. I'll escape this too.*"

BANDIT

VARIANT

The Mercenary

VICTORY
All non-Bandits are eliminated.

DEFEAT
You or a teammate are eliminated.

SPECIAL
Once per game: Secretly name another player. If they are also a Bandit and both of you survive when all non-Bandits fall, you each draw 3 cards as a bonus.

"*Loyalty is priced. Not given.*"

BANDIT

VARIANT

The Last Bandit

VICTORY

All non-Bandits are eliminated AND **you are the only surviving Bandit**. Other living Bandits at game end deny your victory.

DEFEAT

You are eliminated, or the game ends with another Bandit still alive.

"When the dust settles, only one of us gets to walk out."

BANDIT

VARIANT

The Arsonist

VICTORY

All non-Bandits are eliminated.

DEFEAT

You or a teammate are eliminated.

BONUS VICTORY

Alternate win: If you control more non-land permanents than any other surviving player when any victory condition is met, you win — even if your team does not.

"Everything burns eventually. I just help it along."
